'The Three Musketeers' is a riotous adaptation of Alexandre Dumas' classic novel by John Nicholson ('Hound of the Baskervilles', 'Peepolykus') which was originally performed by physical-comedy theatre company Le Navet Bete on a UK tour in 2019, with four actors playing over thirty characters! 'The Three Musketeers' is a funny, high-energy adaptation of a universally loved story.

CAST DESCRIPTIONS:

The play is written for a cast of four actors, each playing multiple roles, with quick costume changes forming an integral part of the action. All four actors will ideally look the same age - the age and gender is flexible.
