

SEASON TICKET APPLICATION – 2018/19

Season Tickets will once again be available for our new season.

Ticket prices have been held at £9 on the First Thursday and £11 for every other performance except for *A Little Night Music* which will be £13 and £15 to cover the additional costs of staging a musical.

All ticket prices include a £1 Miller Centre Restoration Levy. This sum will be paid to The Park Hill Trust, (registered charity: 258420) the owner and manager of the building, to contribute towards the cost of essential works.

Season Tickets cover the nine productions staged by The Miller Centre Theatre Company. In addition, each individual Season Ticket holder will be entitled to one free ticket for the Young Players production in July 2019 for each Season Ticket purchased. Full details of the Young Players production will be available in 2019.

Please note that, following the refurbishment of the theatre in August this year, the raked seating will be Rows F to M only.

As already announced, each of the nine Theatre Company productions will include a matinee on the second Saturday. Season Tickets will be available for this performance as well as all evening performances.

ALL APPLICATIONS ARE DEALT WITH IN ORDER OF RECEIPT. THOSE WISHING TO RETAIN THEIR CURRENT SEATS SHOULD APPLY NO LATER THAN 25 JUNE 2018.

We are able to offer alternative payment methods this year. In addition to paying by cheque or credit card, payment may also be made by direct debit or internet banking.

Payment by direct debit will involve signing up to GoCardless, an Authorised Payment Institution regulated by the Financial Conduct Authority, who operate the scheme on our behalf. Pre-advice of any debits will be sent to you and all payments are protected by the Direct Debit guarantee. You can sign up to GoCardless by clicking on the GoCardless button on our website (www.themiller.net) which will take you to The Miller Centre Theatre Company sign up page.

Please note that all cheques will be cashed and cards charged on receipt but tickets will not be despatched until late July/early August.
